

TREASURER'S REPORT FOR THE A G M 2018/2019

Madame Chairman, ladies.

There are copies of the accounts for the year 2018/2019 on your table for you to share and glance at while I am talking to you.

As you can see the club has a healthy balance in the bank at the end of the financial year. Subscriptions for this year are paid up with a few exceptions.

The EVENTS held in the past year have been very successful due to meticulous planning by Adeline Reidy and Jennifer Van Lens including careful budgeting so that the events have paid for themselves or made a very small profit.

The SPEAKERS have been varied and worth the fees that are paid to them.

Jennifer and her husband Jean – Luis look after our WEB pages and as you can see have cost the club ~~1~~¹60.64 for the year which is good value. Our thanks go to Jennifer and Jean – Luis.

I would like to make a plea to all members to remember to cancel their lunch place on the Friday before our Wednesday lunch as once I have handed numbers to the catering staff the food has to be ordered and we are obliged to pay for the number of lunches ordered. Thank you.

Are there any questions?

Madame Chairman, ladies, I propose the adoption of the Accounts for 2018/2019 . May I have a seconder please.
