23rd June 2021

Dear Fellow Members

I hope you are keeping fit and well and have not been eating too much cake! I know I have and now I will have to work hard to lose those extra pounds!!

Well, we are almost there, providing nothing goes against us in the next week! It has been such a long time since we all met, it will be so nice to meet face to face and chat with each other as usual.

It will seem strange being in a new venue but I'm sure we will get used to it very quickly. We shall have to stay at our own tables of six until the rules change and we can then mix with each other more freely in the future.

I expect you know that we can park our cars in De Bradlei car park as long as we put a voucher in the car, available from the hotel. Perhaps a chance to do some extra shopping after the meeting!

Let's hope the warm weather will have returned at the end of the month and maybe we can take a stroll along the new pier after our meal.

I very much look forward to seeing you all on 30th June, until then

Take care and stay well
With very best wishes
