Visit to Boulogne in France via Eurotunnel
(Valid Passport required)

Follow the scenic coast road from Calais to Boulogne. The green and gently undulating terrain resembles the English countryside of a century ago. Watch out for the energetic cross channel ferries going about their business on the 'Manche'. On a clear day, you get a glimpse of the white cliffs of Dover.

Free time to visit the port's fish market, the vibrant fruit and vegetable market, the modern shops or relax in one of the numerous cafés that line the market square

3 COURSE LUNCH IN A TYPICAL FRENCH BRASSERIE

Coach will take us to the **old town, perched on a hill**. It looks like a film set with its beautiful architecture and cobbled streets. Walk around **the ramparts, visit the castle, the Basilica of Our Lady, the quaint shops or have a lazy cup of coffee in one of the quaint cafés**. Head for home via a stop at the **Auchan hypermarket**.
