

PRESS REPORT – JANUARY 2017 LUNCH

Joe Mendell took on the persona of US comedian Bob Newhart when he spoke to a gathering of 70 members and guests of the Dover Ladies Luncheon Club in Dover Town Hall on 25th January. An hilarious telephone conversation between a present Sir Walter Raleigh and his company in London set the scene for peals of laughter. An advance bus drivers course, a US submarine returning to base after two years submerged, and a low budget airline, to mention just a few, quickly followed. Joe cheerfully posed with members of the club, including Chairman Norman Nunn. He will certainly be asked to return with another subject from his repertoire.
